Scarecrow Competition 2024:

Theme: Superheroes

REQUIREMENTS: -

- Scarecrows must be displayed and clearly visible from the outside of your property no later than 9am on Saturday 27th July 2024.
- Your scarecrow must have a name which should be placed on the entry form.
- Your scarecrow must be an original piece of work made from scratch.
- Your scarecrow must be in 'good taste' and suitable for a family/community event.
- Your scarecrow should be able to withstand all weather conditions.
- Your scarecrow must be placed outside of your own property, or on your property land, and be clearly visible from the highway.
- You must take reasonable care and responsibility to ensure the safety of the exhibit and people approaching to view it.
- Please consider road safety when placing your scarecrow so that it doesn't cause a highway or public footpath obstruction.
- You are encouraged to use recycled or natural material (e.g. straw) wherever possible in the construction of your scarecrow.
- You may use props and accessories to enhance your scarecrow and to provide context.
- Your entry may be made up of multiple scarecrows, but this must be clearly stated on your entry form.
- Please ensure to remove your scarecrow when the competition has finished.
- The closing date for entries is **Monday 22nd July 2024**. Any entry forms received after this date may not be included in the competition.

JUDGING:

- Judging will take place on Saturday/Sunday 27th or 28th July.
- The judges' decision is final, and no correspondence will be entered into.
- The Judges will be looking at the following:
 - VISIBILITY – How visible from the front of the house? Please note if houses have items such as streetlamps/trees not within their boundary this is not counted.
 - ORIGINALITY – How original? Is it the only type of scarecrow? E.g., are there more than 1 of the same?
 - AESTHETICS – How aesthetically pleasing is the scarecrow? How much attention to detail has gone into this (e.g., this should be age appropriate, if made by a child for example).
 - HANDMADE – How much attention to detail has gone into it? E.g., does it simply have a pre-made costume on or has it been custom made?
 - COMPLEXITY – How complex was the scarecrow to make? E.g. is it stood up straight (max of 3 points) or in a complex position/dangling off a building etc.
 - RECYCLABILITY – Are recyclable materials used?
 - SURROUNDING AREA – Are there interesting props etc contributing to the scarecrow?
